Half Splicer Rail

Part Number: **Part Number: R**

Product Details:

- 72" - 144"H Upright requires: two Center Rails, two Support Clips and one Half Splicer
- Half Splicer Rails are used on wall or island sections taller than 66" when slotwall is on one side and hardboard is on the other. Half splicers join hardboard backs that are spliced at different height than the slotwall. Hardboard back clips are also used in this application.
